

# Bausch Health Reduces Debt By Additional \$107 Million, Eliminating All Remaining Mandatory Amortization For 2018

September 11, 2018

LAVAL, Quebec, Sept. 11, 2018 /PRNewswire/ -- Bausch Health Companies Inc. (NYSE/TSX: BHC) ("Bausch Health" or the "Company") today announced it has paid down an additional \$57 million of its senior secured term loans and \$50 million of its revolver borrowings, using cash on hand. As a result, the Company has eliminated all mandatory amortization for the remainder of 2018.

"We are able to further reduce our debt and eliminate all remaining mandatory amortization for 2018 due to ongoing strong cash flow from operations," said Joseph C. Papa, chairman and CEO, Bausch Health. "We continue to remain committed to reducing our debt while also investing in the Company's core businesses that drive future growth."

In addition, Bausch Health paid down \$132 million of debt earlier in the third quarter of 2018, which was disclosed when the Company reported its second-quarter 2018 financial results last month. Together, these transactions bring the Company's total debt repayment in the quarter to nearly \$240 million.

## About Bausch Health
