

Salix Announces 2022 Gastrointestinal Health Scholars Program Winners

July 13, 2022

For Third Consecutive Year, 10 Students with Gastrointestinal Disease Will Each Receive a \$10,000 Scholarship

LAVAL, QC, July 13, 2022 /PRNewswire/ -- Bausch Health Companies Inc. (NYSE/TSX: BHC) ("Bausch Health") and its gastroenterology business, Salix Pharmaceuticals, ("Salix"), one of the largest specialty pharmaceutical companies in the world committed to the prevention and treatment of gastrointestinal (GI) and liver diseases and disorders, today announced the winners of its 2022 Salix Gastrointestinal Health Scholars Program. For the third consecutive year, Salix will be awarding \$10,000 each to 10 students living with a GI disease.

"Salix is pleased to recognize these 10 outstanding Salix Gastrointestinal Health Scholarship awardees who are thriving in their academic journey while living with the challenges of a gastrointestinal condition," said Nicola Kayel, vice president, Marketing, Salix. "At Salix, we feel honored to play a small role in these students' pursuit of higher education, and we look forward to seeing the result of their hard work in the near future."

The 2022 awardees were selected from more than 150 applications. As part of the process, applicants were required to submit essays describing how their GI condition has impacted their educational journey, as well as delve into the role their health care provider played in helping them reach their personal and educational goals. All scholarship applications were reviewed by an independent panel of judges.

The Salix Gastrointestinal Health Scholars Program recognizes students across a wide range of educational pursuits, with scholarships in three categories, including the Undergraduate Scholar Awards, for those pursuing undergraduate degrees; the Graduate Scholar Awards, for those pursuing graduate degrees; and the Working Parent's Scholar Award, for parents pursuing undergraduate, vocational/technical or graduate degrees.

The 2022 Salix Gastrointestinal Health Scholars Program recipients are:

- **Undergraduate Scholar Awards**

- Mayah Greenfield, Lake Oswego, Ore. – Pitzer College
- Mary Glossop, Loveland, Ohio – University of Cincinnati
- Ivy Stevens, Manhattan Beach, Calif. – Bowdoin College
- Caroline Casola, Orlando, Fla. – University of Florida

- **Graduate Scholar Awards**

- Hannah Phelps, Encinitas, Calif. – San Diego State University
- Kaitlyn Ryda, Warren, Mich. – University of Oxford
- Tanner Pearson, Pendleton, Ore. – Drexel University
- Addison Hillhouse, Jackson, Miss. – Vanderbilt School of Nursing

- **Working Parent's Scholar Award**

- Lauren Erback Barnfield, Norridge, Ill. – Oklahoma State University
- Joshua Swimmer, Tecumseh, Mich. – University of Southern Indiana

"It's hard to express my gratitude and how grateful I truly am for this opportunity," said Joshua Swimmer, a recipient of the Working Parent's Award and a student at the University of Southern Indiana. "I was diagnosed with a lifelong chronic disease, and never once would I have imagined something so positive to actually come from it. I appreciate everything this will afford for me and my family."
